As Jaime, now a criminal defense attorney, prepares to press charges against someone who wronged her long ago, she must face not only her demons but also the unimaginable forces that protect the powerful man who tore her childhood apart.

Chandler Bolton, a retired veteran, is tasked with helping a young victim who must testify in court—and along with his therapy dog, Aslan, he's up for the task. When he first meets Jaime, all brains, beauty, and brashness, he can't help but be intrigued. As Chandler works to break through the wall Jaime has built around herself, the two of them discover that they may have more to offer one another than they ever could have guessed—and that together, they may be able to help this endangered child.
